

SUMMER PRAYERS 2010

Praise God:

That He rested on the seventh day of creation

That He sets a pattern of work and rest before His creation

That He renews and recreates His people as they come before Him in stillness

Please pray for:

- Rest, renewal and refreshment for the many and varied leaders of our church, thanking God for their devotion, commitment and dedication
- The preparations for September as groups, bodies and organisations gear up for a new term with new challenges and opportunities
- The Planning Application as it goes through the various stages, for God's will and purpose to continue to be discerned and known in this regard
- All who are leading and taking part in Christian summer camps and holidays
- Those who suffer or who grieve, that God in His mercy will draw near to each to bring healing and peace
